## **QUÁLITAS (BUY; T.P. MXN\$110.0): Will be part of the DJSI Mila Pacific Alliance, Positive**

QUÁLITAS announced that it will be part of the Dow Jones Sustainability Index (DJSI) Mila Pacific Alliance from next Monday, November 23rd, as a result of the company's efforts to incorporate ESG criteria in its daily operations. This index includes the 62 companies with the highest sustainability ratings granted by SAM (which is now part of S&P) within the Pacific Alliance region that includes Mexico, Chile, Colombia and Peru. QUÁLITAS is the only insurer that will be part of this index. We believe that this is positive news and its inclusion in this index is likely to trigger a higher demand for its shares in the short term.

**Report prepared by Miranda Global Research for Vector Casa de Bolsa, S.A. de C.V.**

## **DISCLAIMER**

The current report was prepared by Miranda Global Research ("Miranda GR") for Vector, Casa de Bolsa, S.A. de C.V. The information is presented in summarized form and is not meant to be complete. There are no declarations or guarantees, expressed or implicit, in respect to the accuracy, impartiality or integrity of the information.

Miranda GR, in accordance to applicable legislation, has made sure that the presented personalized recommendation is reasonable to the client, as it has verified congruency between the client's profile and the profile of the financial product. Under no circumstance should it be understood that the fulfillment of the previously mentioned recommendation, guarantees the result or the success of the proposed strategies in the presented document.

The information included in this presentation was obtained from public and/or private sources. Projections or previsions included in this presentation, are a generalized recommendation and are based on subjective assumptions and estimations about events and circumstances that have not yet happened and are subjected to significant variations. Therefore, it is not possible to guarantee that any of the results included in the current report will happen in the future, in other words, it does not guarantee the result or the success of the posed strategies.

This report has been prepared solely with informational purposes. No declarations are made in respects to precision, sufficiency, veracity or accuracy of the information and opinions hereby included. Miranda GR will not answer (either because of negligence or for any other reason) for any damage or detriment derived or related to the use of this report or its content, or any connection to the report. Miranda GR is not responsible for the use or association with this report, including but not limited to, any declaration, expressed or implicit or guarantees or omissions included in this information.

This report is based on facts and/or events that have happened up to this date, consequently any future facts and/or events can impair the conclusions hereby expressed. Miranda GR does not assume any responsibility to update, review, rectify or invalidate this report based on any future occurrence.

The opinions related to this report eventually expressed by Miranda GR, should be considered only as suggestions/recommendations to better operate various topics related to the presentation.

This report and its contents are property of Miranda GR and cannot be reproduced or broadcast in part or in its entirety without the previous written consent of Miranda GR.
