### **COX Announces The Creation of the Vice-Presidency of Investor Relations**

COX announced the creation of the Vice-Presidency of Investor Relations, which will be headed by Enrique González Casillas, who has a career of more than 15 years in Corporate Finances and Investor Relations in public companies such as Genomma Lab, Alsea, Grupo Lala and the Mexican Stock Exchange, among others. Enrique is an Industrial Engineer from the Universidad Panamericana and holds a Master's Degree in Business Administration from the ITAM. He is co-founder and member of the Executive Committee of INARI. Cristian Gastelum will also be part of the Vice Presidency of Investor Relations; he was appointed as Director of Financial Information and Markets. Cristian worked for many years at the CNBV and, subsequently, at the DLA Piper México law firm. He is an actuary from the UNAM and holds a Master's degree in Economic and Financial Engineering from La Salle University. We believe that the creation of the Vice Presidency of Investor Relations will strengthen the communication with the stock market. In addition, it is part of the company's commitment to operate under ESG standards.
