

## **CADU (BUY, T.P. MXN\$5.00)**

Will amortize the CADU 18 domestic bonds

CADU announced that on January 23<sup>rd</sup> it will carry out the full voluntary early amortization of the CADU 18 domestic bonds (at the end of 4Q22 we estimate that the outstanding amount was MXN\$143 million). We believe that the company will use part of the resources that it recently obtained from the sale of land. In our opinion, this is excellent news as such payment will reduce the short-term maturities. As a result, we reiterate our BUY recommendation with a target price of MXN\$5.00/share.
