

COXA (BUY, T.P. MXN\$41.00)

Will propose the dual listing of its shares on the BME Growth in its Shareholders' Meeting

COXA called an Ordinary Annual Shareholders' Meeting for next March 27, in which it will propose the approval of the dual listing of its shares on the BME Growth Stock Exchange or in any other Spanish market, in accordance with what was approved in the Ordinary and Extraordinary General Shareholders' Meetings held on November 16th, 2021. In its quarterly conference call, the company mentioned that it had concluded the necessary procedures to carry out such process. We believe this is excellent news as COXA will be able to broaden its investor base. Our recommendation is BUY with a MXN\$41.0/share target price.
