2022 Sustainable Annual Report

VINTE announced the publication of its 2022 Sustainable Annual Report for the sixth consecutive year. It was prepared under GRI (“Global Reporting Initiative Standards”). It includes the sustainability strategy and the commitments related to the continuity of investments with a high positive social and ecological impact, in line with the company’s sustainable “shared value business model”. We believe that VINTE remains at the forefront in terms of sustainability. Our recommendation is BUY with a MXN\$43.0/share target price.
